High value-added projects for the smooth energy transition and the consolidation of Greece as a regional energy hub

DESFA is responsible for the operation, management, utilization and development of the Greek Natural Gas System and its interconnections, in a technically sound and economically efficient way, in order to best serve its Users with safety, reliability and adequacy.

Possessing extensive experience and a highly skilled workforce, DESFA, whose shareholders are, from 2018, 34% the Greek State and 66% Senfluga SA (joint company of Snam, Enagás, Fluxys and Damco), contributes decisively to the security of supply and the diversification of supply sources of the country and the wider region, facilitating the development of competition in the Greek energy market.

On the way to a cleaner and more sustainable energy future, DESFA is transformed, with the vision of its further consolidation as a reliable partner in the framework of the ongoing international energy projects in SE Europe and the wider region. At the same time, DESFA implements a series of significant investments for the upgrade, expansion and interconnection of the National Natural Gas System, with a key role for the smooth energy transition of the country and the goal of its emergence as an international energy hub.

On a consistent basis, DESFA also implements activities aimed at strengthening its positive Environmental, Corporate Governance and Social footprint, consistent in its vision to be a model of business excellence and corporate responsibility in every aspect of its operation.

*Enabler of a Sustainable
Energy Future.*

ATTICA HOLDINGS S.A. (Attica Group) operates in the passenger shipping industry through its commercial brands BLUE STAR FERRIES (BSF), HELLENIC SEAWAYS (HSW) and SUPERFAST FERRIES, as well as through its participation in AFRICA MOROCCO LINKS (AML).

Listed on the Athens Stock Exchange, we are the largest passenger shipping Group in Greece, the 3rd largest in the Mediterranean Sea, and among the 10 largest in Europe.

Following GRI Standards, Attica Group has been the first company globally in passenger shipping to publish, for 14 years now, an annual Responsibility & Sustainability Report, audited by Grant Thornton. Attica Group Responsibility & Sustainability Report incorporates an ESG structure correlating its content with the Principles of the UN Global Compact on SDGs, the ISO26000 guidelines, NASDAQ, TCFD and Athens Stock Exchange (ATHEX) ESG Guidelines.

Attica Group Responsibility & Sustainability Report 2020 was one of the 16.800 reports assessed worldwide and was listed among the ten finalists in three categories of the CR Reporting Awards 2022.

According to the voting results published in December 2022, Attica Group ranked:

- 4th globally & 1st in Europe in the category "Best ESG Report"
- 7th globally & 2nd in Europe in the category "Openness & Honesty"
- 6th globally & 4th in Europe in the category "Credibility through assurance"
-

Our Group introduced during 2022 three (3) state-of-the-art Aero Catamaran vessels replacing older technology vessels. This investment contributes decisively towards reduction of our environmental footprint and gradual transition to a greener economy (low fuel consumption, reduced pollutant emissions, solar panels).

ONE GROUP, 4 COUNTRIES, 60 UNIQUE DESTINATIONS

SUPERFAST FERRIES • BLUE STAR FERRIES • HELLENIC SEAWAYS • AFRICA MOROCCO LINK

Attica Group, a Greek Shipping Group, operates a fleet of 35 modern and technologically advanced vessels with an international presence, offering high quality transportation services for passengers, vehicles and trucks. A Group, pioneer in passenger shipping, with activities that operate for the benefit of partners and local communities, reducing the environmental footprint, thus creating added value for shareholders and employees.

Attica Group is the largest Group in its sector in Greece, the third largest in the Mediterranean and among the ten largest in Europe, investing continuously in the future.

Because leading is a course that never ends.
