Coordinator - Journalist

He studied Law and Economics in Athens, Strasbourg, specializing in European law & economics and Medieval history. He dealt professionally with business law and European law issues.

Advisor for European Affairs at the Ministries of National Economy, Foreign Affairs and Culture and Advisor for European Affairs of the Athens Daily Newspaper Owners Association. He was a communication consultant at the Bank of Greece (1999). Today he is hosted by «Naftemporiki», he writes in PROTAGON and is the General Manager of the economia Group («Financial Inspection» / economia.gr.)

He participates in the evening report of action 24.

## Manolis Grafakos

---

General Secretary of Waste Management Coordination,  
Ministry of the Environment and Energy

Manolis Grafakos is an economist and the General Secretary for Waste Management Coordination of the Ministry of Environment and Energy of Greece. He studied economics at the National Kapodistrian University of Athens. He holds a Master's Degree in Business Administration (MBA) from the University of the Aegean, in Banking from the Greek Open University and in "Design, Management and Tourism Policy" from the University of the Aegean. He is a PhD candidate at the University of the Aegean.

During 2012 - 2019 he was the Secretary General of the Municipality of Metamorphosis.

From 2010 to 2011 he was the President of the Inter-municipal Association for the Sustainable Development "21 Local Authorities" of the northern Attica municipalities.

During 2007 - 2010, he was the Mayor of Melissa Attica.

In the period 2004-2006, she was a Deputy Commander at the Psychiatric Hospital of Attica.

He worked in the private sector from 1994 to 2004, as a business consultant in finance.

## Nikos Kontaroudis

---

A' Vice-Chair Hellenic Capital Market Commission

Mr. Nikos Kontaroudis has been working in the Greek financial sector since 1993 in bank treasuries and investment firms. He has been for many years associated with the Greek Derivatives Market and market making desks. He has held senior positions in trading departments as well as in top management. Currently, as a Vice Chairman in HCMC Mr. Kontaroudis supervises listed companies and is responsible for its digital transformation. He participates in ESMA's Management Board, Board of Supervisors and Digital Finance Standing Committee.

Mr. Kontaroudis holds a BEng. and an MSc. In Mechanical Engineering from Imperial College and Stanford University respectively. He has completed the Accelerated Development Program from University of Chicago, Booth School of Business. He also holds the certificate in quantitative finance (CQF) and the Cryptocurrency and Disruption Certificate from London School of Economics.

## Angeliki Chomata

---

Legal Advisor, Ministry of Environment and Energy

Angeliki Chomata graduated from the Faculty of Law of the University of Athens, studied European and International law at the University of Robert Schuman in Strasburg and successfully completed her postgraduate degree in Oxford (MJur), in the field of commercial and maritime law. Recently she became an Associate Member of the Association of Average Adjusters in London and continued her studies successfully in Executive Leadership at the University of Oxford, as well as in Negotiations and Leadership at Harvard University. She began her career as attorney at law in major corporate and maritime law offices in Athens and Piraeus, also as inhouse lawyer in the legal department of Enterprises Shipping and Trading SA. For the past fifteen years she is engaged in the field of energy law, providing legal services in Hellenic Transmission System Operator SA, which was transformed to Electricity Market Operator and then to Operator of Res and Guarantees of Origin.

She is currently also Advisor to the Minister of Environment and Energy and from September 2019 to July 2020 Advisor to the Deputy Minister of Environment and Energy.

She is a member of WISTA HELLAS and is engaged in collaboration with HELMEPA to promoting sustainability.

## Antonios Panagiotopoulos

---

Executive Director ESG & Climate Research at MSCI Inc.

Antonios Panagiotopoulos is an Executive Director at MSCI ESG & Climate Research specialising in the environmental, social, and governance (ESG) risk and performance analysis within the energy industry and is a member of the ESG Research Climate Change Working Group and the Carbon Methodology Committee.

Before his role with MSCI Antonios had an extensive experience in the oil and gas sector and specifically the refining, petrochemical and shipping sectors in various positions in London UK and in Houston, U.S. He holds a MSc in energy trade and finance from Bayes Business School in London and a BA degree in international relations and law from the University of the Aegean.

## Emmanuel Perakis

---

Managing Partner, STREAM

Emmanuel Perakis has over twenty five years experience in executive roles within multinational corporations (such as Vodafone Group, Henkel AG), in a broad range of functions with emphasis on Excellence and Sustainability, while he has also served as:

- Jury Committee Member and Senior Assessor for the European Excellence Award (in the category of Large Organizations) in Brussels.
- Board Member of Vodafone's Global Sustainability Council in the UK.
- Member of the Global ISO26000 development Working Group.
- Training Faculty Member for the EFQM in Brussels.
- Training Quality Control Consultant for the Global Reporting Initiative in Amsterdam.
- Master Coach for the Behavioural Institute (accredited by the ICC).
- Innovation, Human Capital & Core Assessor for Sheikh Khalifa, Dubai & Abu Dhabi Government Excellence Programs in the UAE.

Since 2007 Emmanuel is Managing Partner of STREAM, having delivered projects from Culture Change to Agility Management and from Leadership Development to Corporate Responsibility, both for corporations (such as Coca-Cola, Carrefour, Deutsche Telekom, Heineken, Mercedes, Nestlé, Interface), as well as institutions (such as CSR Europe, EFQM, GRI, WWF).

He holds an MBA (Highest Honours), an MSc in Biotechnology and a BSc in Chemical Engineering (Honours), while has been honoured with the annual European Leadership Award by the European Foundation for Quality Management, for his 'contribution in the Excellence movement in Europe'.

## Maria Tsiadi

---

General Manager, Global Sustain

Maria Tsiadi is an executive with long experience in the FMCG and technology industry, specializing in Public Relations and Marketing. She has an extensive experience in developing strategic business plans and communication plans. Her professional activity includes her participation in managerial positions in Sony Hellas, Gr. Sarantis A.E. and Chicco. In the recent years she has worked as an ESG Consultant, and has participated in projects such as PPC Sustainability Report, EYDAP Sustainability Strategy etc. She is now part of Global Sustain's management team as General Manager, managing the company's 3 divisions (Consulting and Trainings, Digital ESG Services and the Green Private Club Member Network).

## Dr. Dimitrios Koufopoulos

*Enabler of a Sustainable  
Energy Future.*

## **High value-added projects for the smooth energy transition and the consolidation of Greece as a regional energy hub**

DESFA is responsible for the operation, management, utilization and development of the Greek Natural Gas System and its interconnections, in a technically sound and economically efficient way, in order to best serve its Users with safety, reliability and adequacy.

Possessing extensive experience and a highly skilled workforce, DESFA, whose shareholders are, from 2018, 34% the Greek State and 66% Senfluga SA (joint company of Snam, Enagás, Fluxys and Damco), contributes decisively to the security of supply and the diversification of supply sources of the country and the wider region, facilitating the development of competition in the Greek energy market.

On the way to a cleaner and more sustainable energy future, DESFA is transformed, with the vision of its further consolidation as a reliable partner in the framework of the ongoing international energy projects in SE Europe and the wider region. At the same time, DESFA implements a series of significant investments for the upgrade, expansion and interconnection of the National Natural Gas System, with a key role for the smooth energy transition of the country and the goal of its emergence as an international energy hub.

On a consistent basis, DESFA also implements activities aimed at strengthening its positive Environmental, Corporate Governance and Social footprint, consistent in its vision to be a model of business excellence and corporate responsibility in every aspect of its operation.

# ONE GROUP, 4 COUNTRIES, 60 UNIQUE DESTINATIONS

**SUPERFAST FERRIES • BLUE STAR FERRIES • HELLENIC SEAWAYS • AFRICA MOROCCO LINK**

Attica Group, a Greek Shipping Group, operates a fleet of 35 modern and technologically advanced vessels with an international presence, offering high quality transportation services for passengers, vehicles and trucks. A Group, pioneer in passenger shipping, with activities that operate for the benefit of partners and local communities, reducing the environmental footprint, thus creating added value for shareholders and employees.

Attica Group is the largest Group in its sector in Greece, the third largest in the Mediterranean and among the ten largest in Europe, investing continuously in the future.

Because leading is a course that never ends.

**AERO Highspeed**  
Ships of the year 2022

## Silver Sponsor

ATTICA HOLDINGS S.A. (Attica Group) operates in the passenger shipping industry through its commercial brands BLUE STAR FERRIES (BSF), HELLENIC SEAWAYS (HSW) and SUPERFAST FERRIES, as well as through its participation in AFRICA MOROCCO LINKS (AML).

Listed on the Athens Stock Exchange, we are the largest passenger shipping Group in Greece, the 3rd largest in the Mediterranean Sea, and among the 10 largest in Europe.

Following GRI Standards, Attica Group has been the first company globally in passenger shipping to publish, for 14 years now, an annual Responsibility & Sustainability Report, audited by Grant Thornton. Attica Group Responsibility & Sustainability Report incorporates an ESG structure correlating its content with the Principles of the UN Global Compact on SDGs, the ISO26000 guidelines, NASDAQ, TCFD and Athens Stock Exchange (ATHEX) ESG Guidelines.

Attica Group Responsibility & Sustainability Report 2020 was one of the 16.800 reports assessed worldwide and was listed among the ten finalists in three categories of the CR Reporting Awards 2022.

According to the voting results published in December 2022, Attica Group ranked:

- 4th globally & 1st in Europe in the category "Best ESG Report"
- 7th globally & 2nd in Europe in the category "Openness & Honesty"
- 6th globally & 4th in Europe in the category "Credibility through assurance"

Our Group introduced during 2022 three (3) state-of-the-art Aero Catamaran vessels replacing older technology vessels. This investment contributes decisively towards reduction of our environmental footprint and gradual transition to a greener economy (low fuel consumption, reduced pollutant emissions, solar panels).
